

Mainland Machine Equipment List

2 - Okuma Captain L370MW Turning Centers w/ Live Tooling and Sub-Spindle

1 - Okuma LB3000 MWY Turning Center w/ Live Tooling, Sub-Spindle and Y Axis

1 - Okuma Captain L370 Turning Center w/ Tailstock

2 - 2012 Mori-Seiki NH5000 DCG Horizontal Machining Centers w/ 240 tool magazines

3- Fadal CNC Vertical Milling Centers

- 5th Axis Capabilities

- Work Envelope Capacities Up to 45" in X Axis 25" in Y Axis and 25" in Z Axis.

Laser Engraving Equipment

Timesaver Graining Machine

- Capacity up to 37" wide

Glass Bead Blasting Cabinet

Vibratory Debur Machines

Manual Mills

Manual Lathe

Amada Automatic Horizontal Bandsaw

- Capacity up to 10"

DoAll Vertical Bandsaw

- Capacity up to 19" wide

Surface Grinder

- Capacity up to 8" x 18"

Sheet Metal Shear

Optical Comparator

- up to 50x magnification

Calibrated Measuring Equipment

Dimension Rapid Prototype 3D Printer (CAD solid model to part in ABS plastic)

Software

Esprit CAM System

Gibbs 3D CAM system

SolidWorks CAD System

With our software, we are able to import/export all popular formats

Services

CNC Milling

CNC Turning

Assembly

Laser Engraving

Vibratory Deburring

Microscopic Deburring

Part Bead Blasting

Part Graining

Hardware Installation (Heli-Coils, PEM fasteners, Dowel Pins, etc.)

Outside Services

Plating (anodize, chemical film, gold, silver, nickel, etc.)

Coating (powder coating, etc.)

Grinding (centerless, double disc, etc.)
